

DOCK DOOR CAMERA MOUNT

One Mount. Every Camera. Total Visibility.

The Universal Dock Door Camera Mount delivers unparalleled flexibility, durability, and clarity for warehouse security and operations, empowering teams to monitor and protect assets with confidence - regardless of camera brand or dock configuration.

KEY FEATURES

- Universal Camera Compatibility: Supports major camera brands, reducing vendor lock-in.
- Engineered for Durability: Withstands impacts, harsh weather, and heavy traffic.
- ✕ Reduced Maintenance Costs: Rugged design minimizes repair/replacement.
- Scalability: Single mount system works across all dock doors.
- ⚙ Faster Installations: Less downtime for dock operations.

KEY BENEFITS

- ✓ Deter Security Risks: Spot criminal behavior and false claims early
- ✓ Oversee Operations: Catch unauthorized actions such as trailer occupancy
- ✓ Minimize Loss: Drive shrink reduction and support employee accountability
- ✓ Support Investigations: Back response efforts with dependable video proof
- ✓ Promote Safety: Boost workplace safety, prevent theft, and confirm shipments
- ✓ Increased ROI: Flexibility to use preferred camera brands while maintaining quality

Ground-level Access

No lift. No ladder.
Faster installs and service.

Future-Ready Compatibility

Works with your existing cameras -
and new models.

Audit-Ready Visibility

Ideal for investigations, claims,
and compliance.

Self-Resetting Design

Returns to position automatically.
Fewer touch-ups.

Smart Docking Support

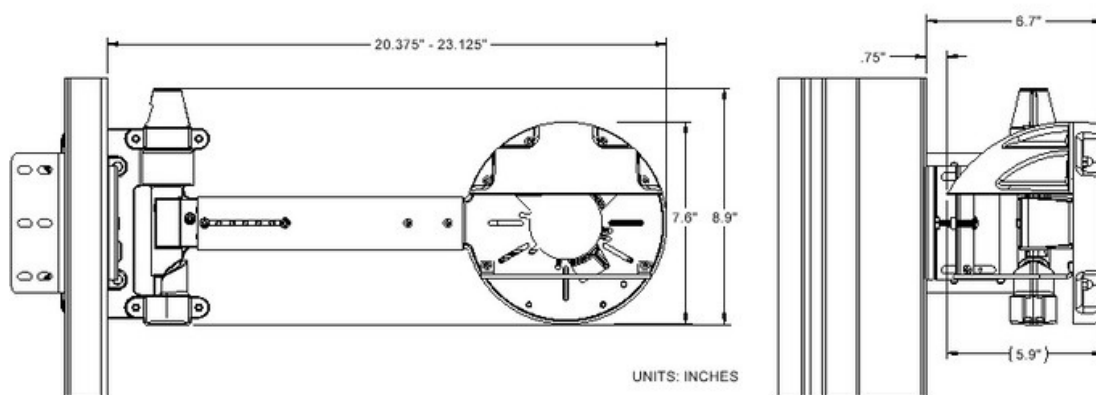

Seamless Integration with
automation and analytics.

Always Alert

Delivers real-time visibility into
activity - right inside the trailer.

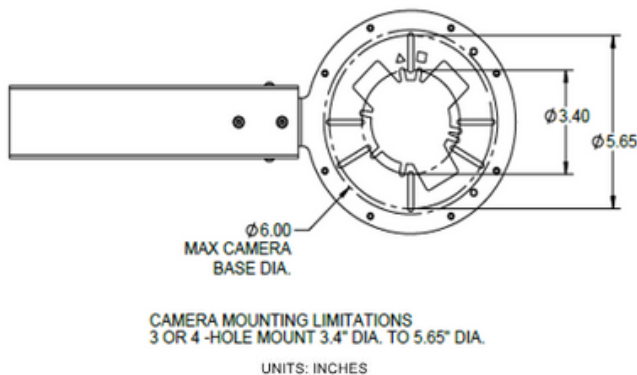

Upgrade to a camera mount built for the realities of the dock.
Universal, tough, and field-ready!
