WREN

BY 3Si

The Wren by 3Si product line includes purpose-built camera, video, housing, and mount solutions for reliable video capture that provides actionable intelligence to enhance safety and security.

21" PUBLIC VIEW MONITOR

Wren PVMs offer a powerful deterrent and deliver top-notch video quality for forensic purposes, making them a smart investment that perfectly aligns with your budget.
Wren's PVMs enhance the deterrence value in targeted areas with superior attention grabbing features such as flashing LED lights and face blocking by increasing the notice-ability of the monitor. Equipped with high definition video, a PVM provides a clear impression of control to shoppers and assists in forensic investigations.
