FOR IMMEDIATE RELEASE

3SI and Wren Welcomes Bill Bozeman as Board Advisor to Provide Expertise on Strategic Initiatives

Malvern, PA, September 4, 2024 – As a leading innovator in safety and security, [3SI + Wren](#) is thrilled to announce Bill Bozeman's appointment to our Board of Advisors. This strategic addition underscores our commitment to integrating cutting-edge technologies to redefine actionable intelligence and deliver on our SaferWorld initiative for law enforcement and the security industry.

Bill brings unparalleled experience as the founder of Bozeman Strategic Solutions, LLC. Since 2021, he has provided strategic planning and positioning for integrators and manufacturers in the electronic security industry. As Artificial Intelligence remains a global priority with significant benefits for security, Bill serves as the chairman of the Security Industry Association's Advisory Board for AI, alongside other industry leaders.

Previously, Bill served as President and CEO of PSA Security Network, the world's largest system integrator consortium, overseeing over 400 branch locations, 7,500 industry professionals, and \$4.5 billion in annual installations across security, fire, life safety, and pro-audio-visual sectors. With a career spanning 40 years, Bill held pivotal roles, including President of Delta Audio-Visual Security, President of Dictograph Alarm Systems Inc., and Vice President of Strategic Alliances for Pinkerton Systems Integration.

A Certified Protection Professional (CPP) and University of New Orleans graduate, Bill has directed sophisticated electronic security projects for corporate America, the US government, and private institutions. Recognized by the Security Integration Hall of Fame, Bill was named one of the 25 Most Influential Security Executives and has received multiple industry awards, including the George Lippert Memorial Award.

"We are honored to have Bill join as a Board Advisor," exclaimed Matt Kushner, CEO of 3SI + Wren. Bill's extensive background in the security industry aligns perfectly with our strategic goals. We are confident that Bill will provide invaluable insights and guidance as we continue to deliver integrated technologies for a Safer World."

"I am excited to be a part of this organization as a Board Advisor," said Bill Bozeman. "Upon learning about their vision and commitment to delivering in a greater way for Law Enforcement and the industry, I knew I wanted to be part of it. It is truly exceptional. I look forward to collaborating with the talented team at 3SI + Wren and contributing to their continued success."

About 3SI, Wren, and Edge360

3SI + Wren recently merged with Edge 360 ([Learn More](#)). With over a century of combined experience in safety and security, 3SI, Wren, and Edge360 are leading global security technology providers. We deliver intelligent solutions to cover the complete crime cycle, encompassing video management services for identifying criminal activity, custom-built solutions designed to detect and deter crime, and advanced capabilities for tracking and apprehending criminals.

Embraced by over 10,200 law enforcement agencies, our unique solutions deliver crime intelligence directly to first responders and investigators, enabling swift actions leading to arrests and crime prevention. Physical Security Leaders trust our services across Enterprise verticals. Furthermore, 3SI's [CovertTrack](#) division actively provides local and federal agencies with custom-built solutions for proactive crime prevention.
