

# PANORAMIC DOCK DOOR CAMERA MOUNT

One Mount. Every Camera. Total Visibility.

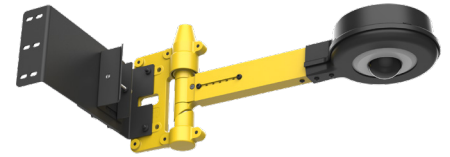

The universal **Panoramic Dock Door Camera Mount** delivers unparalleled flexibility, durability, and clarity for warehouse security and operations, empowering teams to monitor and protect assets with confidence – regardless of camera brand or dock configuration. This patented camera mount is back with a new panoramic camera compatibility, allowing security teams to see beyond the trailer to the warehouse beyond.

## KEY FEATURES

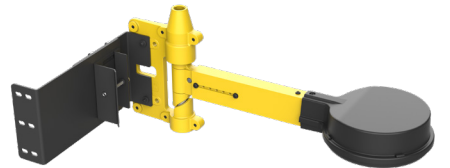

- **Panoramic Warehouse Visibility:** The wide field of view lets you see dock activity, trailer access, and what's happening on the warehouse floor
- **Patented Swing-Back Technology:** This feature makes dock door operation safer and helps protect cameras from impacts and damage
- **Universal Camera Compatibility:** Works with your preferred camera brands and fits existing surveillance standards
- **Engineered for Durability:** Withstands impacts, harsh weather, and heavy traffic
- **Reduced Maintenance Costs:** Rugged design minimizes repair/replacement
- **Faster Installations:** Less downtime for dock operations

## KEY BENEFITS

- **Improve Situational Awareness:** Watch dock doors, warehouse activity, and trailer movement for a shipment using a single camera view
- **Detect Security Threats Earlier:** Spot suspicious behavior, theft, or unusual activity as it happens
- **Minimize Loss:** Drive shrink reduction and support employee accountability
- **Support Investigations:** Back response efforts with dependable video proof
- **Strengthen Investigations:** Obtain reliable one-camera video evidence to support incident reviews and law enforcement.
- **Promote Safety:** Boost workplace safety, prevent theft, and confirm shipments
- **Increased ROI:** Flexibility to use preferred camera brands while maintaining quality
