

3SI Security Systems
Innovation That Protects

Tobacco Tracker™

Powerful GPS Tracking To Capture Criminals
and Recover Stolen Assets

Tobacco Tracker combines three location-based technologies, GPS/Cellular/RF, in a single tracking device designed to covertly protect packs or cartons of cigarettes. The highly reliable device will help secure your valuable tobacco assets.

Your Partner In Cash And Asset Protection

• • • • •

Over 45 years of experience
and specialized knowledge
in the Security field

24/7 US-based support

Long-term relationships
with the industry, built on
trust and satisfaction

Partnered with over 7,000
Law Enforcement agencies

Over 10K criminals
apprehended and \$100M
in assets recovered

Only company offering
both GPS Tracking AND
Cash Protection Solutions

If a Theft Occurs... Tobacco Tracker automatically triggers a silent theft alert upon motion. The GPS tracking information is automatically accessed by local law enforcement allowing safe pursuit and apprehension.

Features

- Multiple packaging options
- Triggers automatically with motion
- Fully automatic and silent
- Location updates every 6 seconds
- Daily battery self-checks with cellular connection
- Bi-monthly health report with cellular connection
- Secure website for live tracking by 3SI and Law Enforcement
- Uses smart technology to store data if cell connection is lost
- RF to pinpoint final device location

Advantages

- Easy to use and maintain
- Do It Yourself friendly for install and charging
- Quick and accurate location data
- Multiple location technologies provide superior tracking accuracy
- No cost law enforcement training and support
- Recovers lost tracking data if cell signal drops
- Reliable performance in Urban Canyon areas
- Collects data about product handling to help with staff training

3SI Security Systems offers proven GPS tracking solutions that combine aided GPS, Cellular and Radio Frequency (RF) location technologies with a secure tracking website. Available in a variety of designs to track all types of valuable assets, our system has led to the recovery of millions in stolen cash and assets.

Our cash protection solutions use ink, dye and smoke to help stop crime and catch criminals.

Options

- Available in a variety of packaging to meet different applications
- Can be installed with or without Transport plate, depending on the need
- Configured for easy installation and use in retail environments
