Cash Tracker™ - Retail

Powerful GNSS/GPS Tracking To Capture Criminals and Recover Stolen Cash

Cash drawers are a quick and easy target for criminals. Cash Tracker solves crimes by recovering stolen money and capturing criminals using the proven technology of 3SI's tracking system. Cash Tracker automatically notifies Law Enforcement of the crime while it silently tracks the criminals, allowing police to lock on the target, move in for the arrest, and recover the cash. With Cash Tracker, retail organizations can protect cash anywhere it is vulnerable.

If a Theft Occurs... Cash Tracker automatically triggers a silent theft alert upon motion. The Tracking information is accessed by local law enforcement allowing safe pursuit and apprehension.
